Township of Bensalem

Joseph DiGirolamo
Mayor

2019 BUDGET MESSAGE

To: Township Council

From: Mayor Joseph DiGirolamo

Date: November 30, 2018

Pursuant to Section 2-24 of the Code of the Township of Bensalem, on November 9, 2018, I submitted to you my proposed 2019 Municipal Budget. I now submit to you my accompanying Budget Message for my 2019 Municipal Budget.

Much has changed in Bensalem from the days when I worked alongside my Father on our family farm on Dunks Ferry Road. Today, we are one of the 10 largest communities in all of Pennsylvania, with over 60,000 people residing within the 21 square miles of our Township. We have a police force of over 100 officers, an infrastructure of over 144 miles of roads, and over 1300 acres of open space, parks and playgrounds.

In the quarter century that it has been my privilege to serve as Mayor of Bensalem, our community has been nationally recognized as “1 of the 50 Best Places to Live in America,” and as “1 of the 100 Best Communities for Young People.” Bensalem enjoys a quality of life that is the envy of every community around us. It is what I have always strived for. It is what all residents of Bensalem deserve.

I am proud to begin this year’s Budget Message, as I did last year, by advising you that we have successfully weathered the economic challenges of recent years. Throughout nearly a decade that saw our nation experience some of the worst economic conditions since the Great Depression, we were able to provide our residents and businesses with an unsurpassed quality of life and a full and complete level of municipal services, all without any increase in our Township real estate taxes.

I have reminded you many times in the past that I will never shy away from making tough and sometimes unpopular decisions, especially when those decisions are made for the betterment of the Township.

Today, as a result of the fiscally responsible decisions and policies of my administration, the Township’s fiscal position is strong and stable. We have been able to achieve and maintain both the short and long term financial stability necessary to maintain and improve our already strong credit rating of Aa2. Contributing to our financial stability and this strong credit rating are our conservative budgeting style, a tax base growth rate that is on an upward trend, a general fund balance that meets general accounting standards, and a Township liquidity that remains solid. Further, my directors and I constantly study and analyze our operations to assure that we remain efficient, and, as always, we are continue to look to find ways that our Township government can “do more with less.”

These policies and practices of my administration not only have made and kept our financial position strong, but they have also allowed us to provide all of the government services our residents continue to receive and enjoy without any increase in Township property taxes during the 25 years that I have been your Mayor.

The benefits of holding the line on property taxes are obvious for most Bensalem residents and businesses. There are added benefits, however, that may not be quite as obvious. For instance, by holding the line on property taxes, we have allowed the more senior members of our population, especially those on fixed incomes, to age in place without being taxed out of their homes. Similarly, it has allowed those members of our population most affected by the long economic downturn, especially those on tight budgets, to focus their energies and priorities towards getting back on their feet without having to contend with the added burden of a Township property tax increase.

In that same regard, I am extremely pleased to report that I am proposing to continue the Homeowners' Assistance Grant for 2019 at \$300.00. With this 2019 funding, Bensalem will have returned \$38 million dollars to its residents over the life of the Homeowners Assistance Grant Program. I fought in Harrisburg, alongside Senator Tomlinson and Representative DiGirolamo, for the inclusion of the Casino Host Fees in the State Gaming Laws, and I am proud that **Bensalem remains the only community in Pennsylvania that provides any Casino Host Fee monies directly to its residents.**

Most importantly, as a result of the decisions and policies of my administration, we have been able to fund and maintain our police, fire and emergency medical services at their current levels, and we will further be able to do so into the foreseeable future. Our Police Department is nationally accredited and the finest in the Commonwealth. Our officers are among the best equipped and most highly trained law enforcement personnel at any level of government in this nation. The service they provide to this community is the foundation of our success in making and keeping Bensalem a desirable place to live and work. I have pledged to the people of this community that our public safety will always be my top priority, and that we cannot, and I will not, allow anyone to play politics when it comes to keeping the people of Bensalem safe in their homes, on our streets, and in our businesses.

While we have accomplished much during my time as your Mayor, make no mistake that we still have many goals to attain. For much of the recent past, we have not been able to aggressively pursue some of our larger infrastructure projects, as our fiscal priorities were, first and foremost, maintaining our public safety and those other services that have been the hallmark of our renaissance as a community. Whenever immediate infrastructure needs were addressed, it would typically result in a borrowing by the Township to fund these initiatives, as in the case of our previous road paving programs and our recently completed township-wide LED Streetlight replacement program. I am pleased to report, however, that we are now in a fiscal position where we have the ability and resources to address several long-needed infrastructure projects without having to incur additional debt to bring them to fruition.

Stormwater management and roadway drainage on and along State Road within our Delaware River Renaissance District have been a problem for decades. We are fortunate that today we can, for the first time, budget the necessary funds to begin a comprehensive design of a reconstruction of those portions of State Road most affected by these flooding issues. Similarly, for the past several years we have partnered with the County and PennDOT to pursue the construction of a new slip ramp at Street Road to provide access onto I-95 South that will alleviate the congestion and back-ups we all currently endure at that interchange. Today, we are able to join with the County and PennDOT to commit the funding needed to move this project off the drawing-board and one step closer to construction.

Thanks to our current fiscal position, this past year we were able to begin construction of the first phase of the Ogden Avenue/Cornwells Stormwater and Basin Project after years of planning and design. At its completion, this Project will significantly improve and alleviate stormwater management problems that have plagued the Cornwells Heights and Eddington neighborhoods, two of the oldest neighborhoods in our Township, for decades.

The ongoing transformation of our Delaware Riverfront, the continuation of the Bensalem Greenway, and the development of the Bensalem Town Center continue to be initiatives that will help to shape and direct the redevelopment of our community for years to come.

I am proud that Bensalem is a dynamic, diverse and vibrant community. While our strong financial position, the unparalleled services we provide, and the ambitious public works projects we pursue all contribute to our success as a community, our prosperity as a community is not dictated by just these factors alone. Ultimately, it is the people of this community that make it a great place to live, work, worship and raise family. The ongoing involvement, commitment and support of our residents and business partners are essential to Bensalem's continued success and our recognition as a strong and unified community.

In closing, I would like to once again thank my staff for their hard work, support and dedication. Without them, the many successes we have accomplished for the people of Bensalem would not have been possible. I must also take this opportunity to once again thank the members of Township Council, past and present, who have given me their support though the years. I believe that together we have been successful in our efforts to make and keep Bensalem a community with a nationally recognized quality of life and future that knows no limits.

I look forward to continuing to lead this community into that bright future.

Thank you.
